

NO PLACE LEFT

A SAGA OF DESTINY FULFILLED

A NOVEL approach for mobilizing this generation to FINISH reaching every Unreached People Group

For most of 2,000 years the Great Commission has been treated as something for a future generation to complete.

Could **WE** be that generation?

HASTENING strives to awaken those who tune out missions and would never read a missions book.

A mini missions course wrapped in a fast-paced thriller reflecting global Kingdom realities. *Hastening* reveals how multiplying movements around the world are hastening swift completion of the missionary task among all peoples. It aims for impact similar to [Perspectives](#) or [Kairos](#).

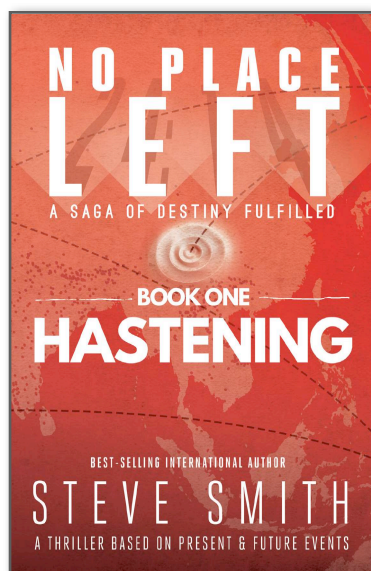

A beautiful tale of real life drama. The pace and passion get the message across —with impact. A must read!

— **Floyd McClung**, All Nations, *The Father Heart of God, Follow*

Hastening could do for mobilizing the Church what T4T did for multiplying new disciples and churches. I commend it with great enthusiasm!

— **David Garrison**,
A Wind in the House of Islam

Creatively challenges all of us to have the greatest possible impact on eternity. Read this then think and pray about how we could make fiction into reality!

— **Stan Parks**, movement trainer/coach, VP Global Strategies, Act Beyond
